

A Message from the President

Greetings Fellow Prospectors,

It is with deep regret that we say good bye and warm wishes to Ron and Alberta Woods, the founders of our chapter. They will be retiring and moving to California, we will love and miss them dearly.

Left in charge of the chapter after an April election are, President, Randy Rivas, Vice President, Doug Hirdler. Wishing them the best of luck in taking our chapter into the future.

Our Chapter will have a joint outing with the Wichita, KS Chapter over the Memorial Day Weekend, 23-25 May 2015. The site for the outing will be a private, pay-to-dig property along the south bank of Lake Creek. The entrance to the site is on the west side of Hwy 24, 100 yards north of the Hwy 82 junction. A sign-in area will be maintained at the entrance to collect fees for the property owner and provide information on rules and restrictions. Please read the additional details posted on our Chapter web site, www.cosgpaa.org. Due to the limited parking area, advanced registration is recommended.
